Deposit Agreement

Please make your payment addressed to the person you are doing business with above, Exclude the Hobby Business Name indicated.

If payment arrangements have been made, the puppy must be paid in full before it is ready to go at 6-8 weeks of age. Once the puppy is prepared to go, you will be notified. At that point, you have an additional 72 hours to make the final payment in full (unless agreed upon by seller and buyer for special circumstances). If full payment is not received, the non-refundable Deposit will be forfeited. Any additional payments made will be refunded to the buyer and the puppy will become the sole property of the seller. If you have any questions regarding the Deposit, please feel free to inquire.

By filling out and returning the agreement with a Deposit on a puppy, **the Deposit is non-refundable**. We are glad you decided to purchase a puppy from us. Every effort is made to make sure your puppy is happy and healthy before he/she is available to leave us.
